Who can avail of after school study?:

Places will be offered to 5th & 6th years on a first paid, first served basis. Please note that a place will only be secured when payment is received.

The running of supervised study is dependent on sufficient places being filled. In the event that there aren't enough students to break even, we won't be in a position to operate.

Group numbers:

Unfortunately we can't facilitate part time places. If students have other commitments or will be arriving late parent/ guardians will need to email coordinators in advance.

Rules:

School rules apply as usual.

Students will be required to engage in **individual private study** and have to be in the room where study is being held.

Should a student disturb the study session they will be asked to leave after contact with parents/ guardians.

Students will be required to leave the premises immediately after each study session.

The use of phones, tablets and other such devices is permitted, however please note that the supervisor cannot monitor work being done on these devices.

Lateness disturbs the study of others and will not be tolerated.

Coordinators:

Supervised study is coordinated by Liadán Ní Shíomóin (liadan.nishiomoin@mounttemple.ie) and Derek Conway (derek.conway@mounttemple.ie) Please email either of us if any clarification is needed.
